

Tender
Dawson City Chlorination Room Building Expansion and
Scrubber Installation

Sealed Tenders plainly marked on the envelope "Tender for Dawson City Chlorination Room Building Expansion and Scrubber Installation", will be received by the Town of Dawson City, PO Box 308, Dawson City, Yukon Y0B 1G0, or AECOM, 2251 Second Avenue Whitehorse, YT or AECOM, 17203 103rd Ave., Edmonton, AB until 4 pm PST, Friday, February 26, 2010.

The project is located in the Town of Dawson City, Yukon Territory. This project is associated with 46 square metre Chlorination Room Building Expansion and Scrubber Installation. The scope of work involves constructing a single storey building addition at the existing Reservoir Pumphouse c/w associated electrical, and plumbing, heating and ventilation work. There will also be a new chlorine scrubber installed and commissioned and some related instrumentation and control work.

Project Documents may be obtained from the Town of Dawson City, or AECOM (Whitehorse or Edmonton) after January 20, 2010, on payment of a non-refundable fee of \$50, payable to the Town of Dawson City.

Each Tender must be accompanied by the specified bid security made payable to the Town of Dawson City.

The right is reserved to reject any or all Tenders or to accept any Tender that may be considered in the best interest of the Town of Dawson City.

Further inquiries may be addressed to Pertti Laitinen, P.Eng. at AECOM at 204.928.8394 (Fax: 204.284.2040; Email pertti.laitinen@aecom.com).
