THEREFORE BE IT RESOLVED THAT:

1. Council direct Administration to develop a tipping fee structure for Construction, Demolition, and Industrial (CDI) waste and for select large item disposal (including white goods and vehicles), based on the attached suggested fee schedule informed by territorial research and comparisons;
2. The tipping fees be proposed as described in the attached Schedule B, which will serve as a preliminary structure to be refined through implementation and community feedback;
3. Fees be collected by an on-site landfill attendant, at the gate, who will be responsible for assessing load volume and ensuring compliance with material separation protocols;
4. A Community Waste Management Fund be created where revenues from tipping fees are directed specifically toward implementing waste diversion programs, education initiatives, training, improved sorting infrastructure, and pilot projects aligned with the priorities of the SWMAC;
5. This policy be reviewed annually to ensure alignment with landfill operational costs, diversion outcomes, and community feedback;
